

Your dear father is dead more than 17 years ago, he was buried at Kildortow; he passed the remainder of his days with his two widowed sisters (Jane Atkinson and Mary Corrick).

There are some of your cousins in Sydney, N. S. Wales, Australia (John and Thomas Aldin).

Dear uncle, Love you - any sisters, or were you only three brothers, I think that Papa was the eldest then you and these uncle Love?

Do you know whether papa was heir to any property or not? There were checks that came to us but knowing nothing about them, we returned them, we are heavily in debt since papa died.
