**JONES Ivor (Taffy)** May 23, 1997  
(suddenly) at his residence,  
late of Peakhurst. Beloved  
husband of Beverley.

'I'll be loving you always'

To be born Welsh is to be born  
privileged, not with a silver  
spoon in your mouth, but  
music in your blood and  
poetry in your soul.

Privately cremated.
