

Hindley Family Tree

All descendants from Robert Hindley 1870 are fully documented and correct. The only thing that makes sense is that the John W Hindley b1865 in question is the brother of Robert b1870

The 1881 census showing John Hindley b1836 wife Mary son 16 year old John and boarders Sarah Bowker & Son William why didn't she have Jane with her??

In 1884 John aged 19 b1865 married Jane Bowker according to "jtas" Rootschat forum

When I checked the 1901 census the only John W Hindley I could find was 11 and had been adopted yet a later document says father Robert was still alive but not found any record of Sarah so he could have been adopted
