			Burial	Death Cert

NOTES

John Fraser died in 1846 age 36 according to father's death certificate.

I believe the John Fraser with Mary in the 1841 living Fraserburgh is this John.

When John's son Charles is born in 1838 a James and Andrew Fraser sign as witnesses.

John calls his first born son James.

John's youngest son John has the middle name Davidson – John's sister Margaret married Charles Davidson

John's oldest son James is living with his cousin in 1861 – Another James – son of Andrew
