Dear Ms Batchelder-Kyriacos

APPLICATION FOR BIRTH CERTIFICATE: YOUR FATHER

Your recent letter refers.

In response to your complaint that certain particulars are not correct on the birth certificate issued by this office, I wish to confirm that the certificate reflects the same information and spelling as appears on the original birth register in our possession.

Should the particulars be erroneous you are requested to furnish proof in writing and to apply at any office of this Department for amendment of the original register on the appropriate form and your payment of the prescribed fee should also accompany your application.

Yours faithfully

p.p. DIRECTOR-GENERAL
