John B Large married Margaret E Mince in Cheltenham, Gloucester December quarter 1937 - Births Dec 1915 Mince Margaret E E Scott Gloucester 6a 485 -Births Sep 1910 LARGE John B Cheltenham 6a 414 NO MMN and they dont appear to have had children – maybe friends or relatives but I can't find a direct connection.

That's all I have so far on them all but I have some further information on their husbands/wives/children. If you want this let me know.

I'm pretty sure that there was at least one other child by the name of John but not sure if from his first or second marriage but having trouble trying to track this. I don't have a current ancestry membership so my suppositions on this have no proof!
